## Work Experience

### **Grady County OSU Extension Intern**

Summer 2025

Grady County OSU Extension Office, Chickasha, OK

- Planned, organized, and facilitated Extension events, workshops, and camps for youth and community members
- Shadowed and assisted the county agricultural educator during on-site visits and office consultations to support community agriculture-related needs
- Assisted with office operations, including data entry, event preparation, and stakeholder communication

### **Outreach and Engagement TEAM Leader**

August 2024- December 2025

Center for Sovereign Nations, Stillwater, OK

- Fulfilled center employee commitments and actively participated in SQUAD and TEAM initiatives, showcasing ability to work effectively in team settings.
- Managed and prioritized multiple projects, showcasing effective multitasking and attention to detail
- Promote sovereignty by engaging with tribal leaders and students and supporting educational outreach and events.

### **Elementary STEM Teacher**

January 2023- May 2023

Madill Public School, Madill, OK

- Co-taught STEM instruction for grades 2–5 three days per week for one semester
- Designed and implemented structured, engaging lesson plans incorporating hands-on activities, robotics, and introductory drone operations
- Provided weekly instructional support in a Special Education classroom, gaining experience adapting lessons to meet the needs of students with disabilities
- Collaborated with a teaching partner to maintain a consistent and supportive classroom environment

## Clinical/Pre-Clinical Teaching Experience

### **Student Teaching Experience**

January 2026 - May 2026

Oolagah FFA Chapter, Oolagah, OK

### **Pre-Clinical Observation**

Fall 2025

Hennessey FFA Chapter, Hennessey, OK

- Learned about grant writing and AET proficiency award applications.
- Aided in preparing the Opening and Closing Ceremonies Teams

### **Pre-Clinical Teaching Experience**

Stillwater FFA Chapter, Stillwater, OK

- Taught a hands-on lesson about soil profiles for my AFNR CASE certification to a group of 18 high schoolers.
- Modified a lesson plan about energy transfer in an ecosystem to teach 32 eighth graders.
