Professional Experience

Student Teaching Experience-Sapulpa Public Schools (Sapulpa, OK)

2025

- Developed AFNR-aligned curriculum to meet the needs of grades 8–12 students
- Supervised and supported students in agriscience research projects and Supervised Agricultural Experiences (SAEs)
- Assisted in training and preparing students for Career Development Events (CDEs) and Leadership Development Events (LDEs)
- Collaborated with a cooperating instructor to gain hands-on experience in lesson planning, classroom management, and instruction

Pre-Clinical Teaching Experience- Stillwater High School (Stillwater, OK)

2025

- Taught Agriscience 1 lessons intentionally designed around specific AFNR pathways.
- Worked alongside university professors to reflect on lesson delivery successes and areas for growth.

Pre-Clinical Observations

2022-2025

- Elmore City-Pernell Public Schools
- Checotah Public Schools
- Wellston Public Schools

Work Experience

Campus Tour Guide- OSU Office of Undergraduate Admissions (Stillwater, OK)

2023-2026

- Delivered engaging campus culture experiences for prospective students and their families
- Partnered with campus leadership to design and enhance recruitment initiatives
- Supported the planning and execution of recruitment and new student orientation events

Carter County Extension Intern- OSU Extension (Ardmore, OK)

2025

- Designed and delivered interactive, standards-based workshops and an educational video series for adults and 4-H youth, strengthening agricultural knowledge and leadership.
- Collaborated with Extension educators to develop and implement youth programs that promoted positive youth development, student engagement, and community involvement.
- Planned and facilitated hands-on learning experiences and countywide outreach events, reinforcing classroom concepts through experiential, inquiry-based instruction.

Logan Barber

logan.barber@okstate.edu

After School Teacher- OSU Family Resource Center (*Stillwater, OK*) 2023-2024

- Facilitated after-school instruction and enrichment activities for students ages 4–13 from diverse cultural and linguistic backgrounds, fostering an inclusive and supportive learning environment.
- Adapted instructional strategies to support English language learners by incorporating visual aids, hands-on activities, and simplified language to improve comprehension and engagement.
- Managed classroom routines and student behavior while promoting social-emotional development, collaboration, and respectful peer interactions across age groups.
