### INVOLVEMENT

---

#### Clubs

- **Paddle People**
  - Paddle people are the group of individuals that stand along the wall at a football game cheering during the game and providing a great environment for the student section to get the crowd hyped up and excited.
- **Swine Club**
  - Swine Club provides a lot of community service for college students with volunteering to help out with local and surrounding pig shows. This gives a lot of college students that show interest in the show pig world to gain the feeling of accomplishment by assisting younger ag students.

#### Volunteer
