

FINISH IN FOUR

College: Ferguson College of Agriculture **Degree/Major:** BLA/LA **Option:** none **Academic Year:** 2023-24
Hours: 126

This plan is an example of how a student may successfully complete degree requirements in four years. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester. Students must meet all general education and Ferguson College of Agriculture requirements.

LA 3683 Professional Practice — Spring 2023 & 2025

****** All landscape architecture students are required to complete a summer internship, LA 3010: Landscape Architecture Internship for a 1 credit. Students that are on-track or ahead of schedule have the option to complete a long-term internship during the spring and summer semesters of the 3rd year or the summer and fall semester of their 4th year. Students enrolled in the long-term internship (6 to 7 months in duration), LA 3020 for 5 credits can substitute the internship for LA 4515 or LA 3525. Students interested in the long-term internship options should talk with their advisor.
