

## Natural Resource Ecology & Management Degree

### Wildlife Pre-Vet Option 4-Year Plan Flow Chart for 2022-23 option sheet

<sup>†</sup>Indicates a class required for the degree but also meets Gen Ed requirements. Therefore, these classes will complete all unspecified Gen Ed hours and allow students to take additional elective hours. These are accounted for by blocks with "Elective hours or Gen Ed..."

- Arrows indicate pre-requisite courses (solid=required, dashed=recommended), colored cells indicate classes that are only offered only every other year.

- It is possible that the times courses are offered will change. Students should check scheduling periodically to make any needed adjustments.

-This is only one of several possible schedules. Students should use this as a starting point, but may need to make modifications to meet individual objectives.
