## Electricity CDE Identification List - 2026

|    |                                 |    |                                      |     |                           |     |                                 |     |                              |
|----|---------------------------------|----|--------------------------------------|-----|---------------------------|-----|---------------------------------|-----|------------------------------|
| 1  | 2 Gang Box                      | 36 | Chuck Key                            | 71  | Ground Screw              | 106 | Non-Contact Promixity Tester    | 141 | Soldering Iron               |
| 2  | 3 Gang Box                      | 37 | Clamp On Amp Meter                   | 72  | Ground Wire               | 107 | Nut Driver                      | 142 | Soldering Wire               |
| 3  | 3 Way Switch                    | 38 | Cold Chisel                          | 73  | Ground Wire Nut           | 108 | Octagon Box                     | 143 | Spade Bit                    |
| 4  | 3 Pole Breaker                  | 39 | Combination Square                   | 74  | Grounding Adapter         | 109 | Offset Screwdriver              | 144 | Speed Screwdriver            |
| 5  | 4 Way Switch                    | 40 | Combination Switch Single Pole/3 Way | 75  | Grounding Bar             | 110 | Open End Adjustable Wrench      | 145 | Speed Square                 |
| 6  | 10-2 NMWG                       | 41 | Compression Connector                | 76  | Hacksaw                   | 111 | Open End Wrench                 | 146 | Split Bolt Connector         |
| 7  | 10-3 NMWG                       | 42 | Conduit Bender                       | 77  | Handsaw                   | 112 | Phillips Screwdriver            | 147 | Standard Screwdriver         |
| 8  | 12-2 NMWG                       | 43 | Conduit Connector                    | 78  | Handy Box                 | 113 | Piloted Switch                  | 148 | Standard Wire                |
| 9  | 12-3 NMWG                       | 44 | Continuity Tester                    | 79  | Hex Key                   | 114 | Pipe Die                        | 149 | Step Drill                   |
| 10 | 14-2 NMWG                       | 45 | Cord Switch                          | 80  | Hickey Bender             | 115 | Pipe Die Stock                  | 150 | Tamper Proof Type S Fuse     |
| 11 | 14-3 NMWG                       | 46 | Corded Power Drill                   | 81  | Insulated Crimp Sleeve    | 116 | Plastic Face Plate              | 151 | Tap Wrench                   |
| 12 | 15 Amp 125 Volt w/o Ground      | 47 | Cordless Power Drill                 | 82  | Key Hole Saw              | 117 | Power Conduit Reamer            | 152 | Terminal Lug                 |
| 13 | 20 Amp 120 Volt Cieruit Breaker | 48 | Crimp Sleeve                         | 83  | Key Stock                 | 118 | Power Wire Puller               | 153 | Test Light                   |
| 14 | 20 Amp 125 V Duplex Receptacle  | 49 | Current/Circuit Tester               | 84  | Knockout Cutter           | 119 | PVC Cutting Pliers              | 154 | THHN Wire (Single Conductor) |
| 15 | 20 Amp 200 V Receptacle         | 50 | Diagonal Cutting Pliers              | 85  | Lag Bolt                  | 120 | PVC Heating Box                 | 155 | Time Delay Cartridge Fuse    |
| 16 | 30 Amp 240 V Receptacle         | 51 | Double Breaker 15 Amp/20 Amp         | 86  | Lamp Base                 | 121 | Raceway                         | 156 | Tin Snips                    |
| 17 | 240 V Circuit Breaker           | 52 | Double Ear Conduit Strap             | 87  | Level                     | 122 | Ratcheting Cable Cutters        | 157 | Tongue & Groove Pliers       |
| 18 | Adjust A Box                    | 53 | Double Pole/Throw Switch             | 88  | Linesman Pliers           | 123 | Receptacle Tester               | 158 | Torque Screwdriver           |
| 19 | Alligator Clip                  | 54 | Drill Bit                            | 89  | Liquid Tight Fitting      | 124 | Reciprocating Electric Saw      | 159 | Triple Tapping Tool          |
| 20 | Analog Voltage Tester           | 55 | Duplex Receptacle 15 Amp 125 V       | 90  | Liquid Tight PVC Elbow    | 125 | Reducing Washer                 | 160 | Twist Lock Plug              |
| 21 | Armored Cable Cutter            | 56 | Easy Start Tap                       | 91  | Lock Nut                  | 126 | Remodel Handy Box               | 161 | Twist Lock Receptacle        |
| 22 | AWG #2                          | 57 | Edison Base Fuse                     | 92  | Low Profile Handy Box     | 127 | Remodel Light Box               | 162 | Underground Conduit 45       |
| 23 | Blade Fuse                      | 58 | Electrical Tape                      | 93  | Male Spade Terminal       | 128 | Right Angle Electric Drill      | 163 | Underground Conduit Sweep    |
| 24 | Bolt Cutters                    | 59 | End Cutting Pliers                   | 94  | Metal Conduit 1"          | 129 | Rigid PVC Conduit               | 164 | Utility Knife                |
| 25 | Bolt Die                        | 60 | Fiberglass Fish Tape                 | 95  | Metal Conduit 1/2"        | 130 | Ring Terminal                   | 165 | Weatherhead                  |
| 26 | Bolt Die Stock                  | 61 | Flaring Tool                         | 96  | Metal Conduit 3/4"        | 131 | Round Blank Cover               | 166 | Weatherproof Faceplate       |
| 27 | Bottom Tap                      | 61 | Flexible Metal Conduit               | 97  | Metal Electical Box Cover | 132 | Saw Set                         | 167 | Weatherproof Handy Box       |
| 28 | Box End Wrench                  | 63 | Flexible Underground Conduit         | 98  | Metal Face Plate          | 133 | Screw Extractor                 | 168 | Weatherproof Wire Nuts       |
| 29 | Bullet Connector                | 64 | Floor Box                            | 99  | Metal Fish Tape           | 134 | Screw Holding Screwdriver       | 169 | Wire Bushing for Metal Studs |
| 30 | Cable Bender                    | 65 | Fork Terminal                        | 100 | Micrometer                | 135 | Self-Tapping Screw              | 170 | Wire Caddy                   |
| 31 | Cable Clamp                     | 66 | Fuse Strip                           | 101 | Motion Activated Switch   | 136 | Simplex Receptacle 15 Amp 120 V | 171 | Wire Gauge                   |
| 32 | Cable Cutters                   | 67 | GFCI Receptacle                      | 102 | Multi-tester              | 137 | Single Ear Coduit Strap         | 172 | Wire Nut                     |
| 33 | Cable Ripper                    | 68 | GFCI Receptacle Adapter              | 103 | Nail in Ceiling Box       | 138 | Single Pole Double Throw Switch | 173 | Wire Pulling Grip            |
| 34 | Cartridge Fuse                  | 69 | GFCI Receptacle Tester               | 104 | Nail In Handy Box         | 139 | Single Pole Switch              | 174 | Wire Stripping Pliers        |
| 35 | Center Punch                    | 70 | Ground Rod Clamp                     | 105 | Needle Nose Pliers        | 140 | Slip-Joint Pliers               | 175 | Wood Chisel                  |
